Making Strides Walk/T-Shirts

The Caucus members participated in the Making Strides Walk, for the fight against breast cancer. The JFK, CT, and the NJIBMC Caucus members gave reports on the walk.

The reports covered the locations of Queens, CT, and NJ. The Caucus members wore T-shirts bearing the Caucus logo and motto. The Caucus acknowledged member Gwen Green for ordering the shirts.

*We would like to thank all the members and Branch Presidents who supported the Caucus by ordering and wearing the shirts in the Making Strides Walk.

The Caucus will submit a proposal to the Executive Board requesting the purchase of T-shirts bearing the Caucus logo and motto to sell.

The sale of the shirts will assist the Caucus in securing funds for future committee projects that will benefit the membership. It is hoped that the proposal will pass Board approval.

NBCF (Caucus Project)

The Caucus wrapped up a committee project benefiting the National Breast Cancer Foundation.

The Caucus members secured contributions for the Foundation that provide free mammogram service to the needy, and homeless women who do not have access to this type of preventive health care.

*The Caucus thanks the membership for their generous contributions to the Foundation.

*The Caucus acknowledged member Lucy Lombardo for her diligent efforts in securing funds that took our tally over our projected goal.

Open Forum

The Caucus discussed the process of the Union body and its association with all Local Union committees. A discussion was held regarding the Caucus's focus to member participation and commitments.

Respectfully submitted,
